Let's Start with One of My Favorite Tools

Go to tealhq.com.

And click “resume builder”.

The screenshot shows the Teal Resume Builder website. At the top, the navigation bar includes the Teal logo, a 'Resume Builder' button (highlighted with a blue border), and links for 'Job Tracker', 'How It Works', 'Career Hub', and 'More'. On the right side of the navigation bar are 'Sign Up' and 'Log In' buttons. The main content area features a large heading 'Better Resume. Faster Search. More Offers.' followed by a subheading 'Simplify your job search and land your next position sooner with Teal's all-in-one suite of tools.' and a yellow button that says 'Sign Up! - It's 100% Free!'. Below this, there is a preview of a resume for 'Tina Miller' at 'WeWork'. The resume preview shows a 'Senior Marketing Manager' role from 07/2020 to Present. It lists several achievements, including implementing website optimization strategies, developing global campaign roadmaps, and helping grow awareness. A circular progress indicator shows a '67% Overall Score' with a breakdown for 'Resume Structure', 'Measurable Results', and 'Keyword Usage'. The resume also includes a 'Global Campaigns Director' title and a 'WORK EXPERIENCE' section for 'WeWork - New York, United States' as a 'Senior Marketing Manager'.
